

Your money at work

As many can imagine, there is a great deal that goes into planning and executing a successful event. For a minimal fee every mother can be confident in knowing that she has contributed to a worthy cause.

Registration fees and Other Donations are used to underwrite the costs of:

Portable restrooms

Tent Rental

Special Event Permits

Street Barricades

Postage Stamps

Podium Electricity (outdoor use)

Event & Commercial Videographer

March Clean Up

Website Maintenance

Shuttles to and from hotels

Printing Flyers

Banners

Hall Rental (After March Gala)

Event Catering (gala)

Table & Chair Rental

Liability Insurance

Trash Cans

Event Security

Moreover, let's not forget the most important expense: Making sure that any mother who wants to attend has the opportunity, which is why we are trying to make travel stipends available for those who need financial assistance.

Registration is also important, because we want to show that we have the numbers and the backing of the entire country.

None of these things are possible without your help. We are asking everyone to find sponsors and contribute what you can to help make this event one that no one will soon forget.

I truly hope to see you all there,

Angie Howard, Breastfeeding Mothers Unite Treasurer
