Dear Sir/Madam,

This summer Breastfeeding Mothers Unite, we will be hosting our first major event. Our Million Mothers March is in need of donations to help with the cost of security, portable restrooms, flyers, posters, tent rental, post March clean up and to help lower income families travel to Lansing. I am contacting you on behalf of Breastfeeding Mothers Unite's fund raising team to request your support in the form of a tax-deductible donation.

For those of you who are not familiar with our organization, Breastfeeding Mothers Unite is a grassroots organization formed to bring breastfeeding awareness to the community and to UNITE mothers with the goal of combating prejudice, discrimination and harassment. Recently, there has been a rise in the incidences of harassment of breastfeeding mothers nationwide, the recent events have become too much to endure. Mothers are being asked to feed their children in the restrooms at Wal-Mart, Targets, fitness facilities, even on public transportation. The unmitigated fact is that the list goes on and on. We need to bring as much attention to a mother's right to nurse her child whenever and wherever that child gets hungry. Our first major undertaking is a show of unity and strength with a Million Mothers March on Michigan.

I am asking you to help us out this year by giving a tax-deductible donation to Breastfeeding Mothers Unite. We are working very hard to bring awareness to the importance of making healthy, natural choices for our children and I hope we can count on you for a generous donation of \$100 or more. However, please note that any donation amount is always welcomed.

I thank you for your time and consideration. We look forward to whatever support you can provide.
